8.0 Potential GO TO 2040 Recommendations

Staff would like to have a draft Plan ready for release by June 2010 that has consensus from the Board in terms of the key policy directions and the recommendations. The staff and the Board would then spend the summer and early fall months soliciting input and verifying the components and recommendations within the Plan, prior to final adoption of the Plan in October. In order to facilitate this and ensure there is Board consensus on the Plan's top recommendations, one or two topics will be addressed at each upcoming Board meeting.

A brief overview memo of each topic describing how it fits within *GO TO 2040*, why it should be a priority, and a direction on what the Plan should recommend will be presented. A lead staff person for the topic will give a brief presentation at the Board meeting and then open for Board discussion for input and feedback. At the end of each meeting, the goal is to provide enough direction to the staff to have a clear understanding of where the Board wants to go with that particular topic. The topics for this month are: Education & Workforce Development and Local Food.
