

Strategic Regional Arterial System

SRA Numbers refer to SRA Studies conducted for designated routes. These studies may be obsolete based on subsequent work and community input.

Further information on these routes, including anticipated alignment and generalized design features is available in the SRA report for each route. (Contact IDOT at 847-705-4090 or CMAP at 312-386-8790)

Improvements to these routes are dependent on the availability of funding and the outcome of the engineering, environmental and public input processes.
